"Relations" is a thematic album about relationships between us as humans
and all kinds of partners and environments.

Be patient, be gentle, be humble, be loving
(Ephesians 4: 2,3)

A relationship with other people starts with you. If you don't love yourself, loving and caring
for other humans is impossible. How do we stand towards the world and nature surrounding us?
And, important is, how do we stand to our Creator.
All those kinds of relationships are processed in this new album!

Theme by Ron Lammers.

Produced by Jan Munnik and Ron Lammers
